He hoisted the national flag and performed the flag salute. The entire school atmosphere resonated with patriotism and love for the nation as the national anthem was sung. During the Program, the school students presented various patriotic songs, national songs and captivating dance performances.

The children participated enthusiastically and beautifully expressed their artistic talent and love for the nation. On this occasion, the Best Teacher and Best Administrator for their outstanding performance in the school were honored and encouraged. Similarly, children who demonstrated outstanding performances and participated in various programs were presented with prizes as a form of encouragement, and their talents were appreciated.

The entire Program remained filled with joy, enthusiasm, national spirit and patriotism. The students, teachers and everyone present remembered the sacrifices of the freedom fighters and resolved to contribute towards the unity, integrity and progress of the nation.

This, the 80th Independence Day Program of N.P. Mehta Primary School, managed by Sneha Foundation, was celebrated with great enthusiasm and became a memorable occasion.

LEARNING CENTER

During this month, a parent-teacher meeting was organized at the Foundation Learning Centre for students from Classes 1 to 12. The main objective of this meeting was to inform parents about the students' educational development, academic progress, behavior and overall development.

During the meeting, the teachers also provided guidance on maintaining a good relationship and cooperation between the institution and parents for the students' academic progress, discipline, better results and overall development.

Parents also presented their suggestions and questions before the teachers. The teachers provided appropriate guidance and solutions to the parents' queries. Through this parent-teacher meeting, better communication and cooperation were established between teachers and parents.

The entire parent-teacher meeting was successfully conducted, and a commitment was expressed to work together with the Learning Center and parents for the bright future of the students.

N. P. MEHTA PRIMARY SCHOOL REPORT

During this month, a parent-teacher meeting was organized at N.P. Mehta Primary School, keeping in mind the academic and personal development of the students. The parents of the students attended the meeting enthusiastically and discussed their children's studies and progress with the teachers.

During the meeting, the teachers informed the parents about the students' daily study habits, academic progress, regular attendance, discipline and their activities in the classroom. Along with this, the parents were given necessary suggestions to ensure that children study regularly at home, develop a habit of reading and maintain their interest in education.

Parents shared their questions and suggestions related to their children's studies with the teachers. The teachers also provided appropriate guidance according to the needs of each student and encouraged parents to remain in continuous contact with the school.

Through this parent-teacher meeting, the mutual relationship between the school and parents became stronger. The meeting conveyed a positive message that the school and parents should work together for the children's academic development, good values and overall development.

OVERALL DEVELOPMENT PROGRAM

● **WORLD LION DAY CELEBRATION**

On 10 August 2026, World Lion Day was celebrated as part of a overall developmental activity, with the objective of increasing children's attention and creating awareness about wildlife and the environment. On this occasion, children were provided with various interesting and useful information about lions.

During the celebration, children were given an understanding through lion-related pictures and information. Questions about lions were asked to the children, followed by interesting discussions, which generated curiosity among them to learn more about lions and other wild animals.

Through this activity, an effort was made to develop love for wildlife, sensitivity towards nature, a sense of environmental conservation and awareness about animal protection among the children. The celebration of World Lion Day became a wonderful experience for the children to gain knowledge, enjoyment and a new understanding.

● ADVANTAGES AND DISADVANTAGES OF MOBILE PHONES

On **17 August 2026**, as part of a Overall development activity at Sneha Foundation, children were provided with proper guidance about the advantages and disadvantages of mobile phones.

In today's digital age, the proper use of mobile phones can be very useful for education and gaining knowledge. At the same time, excessive and inappropriate use can negatively affect children's studies, concentration, sleep, time management and daily life.

During the activity, discussions were held with the children to explain the need for limited and purposeful use of mobile phones, the responsible use of technology for educational purposes, and the importance of protecting their personal information in the online world.

The children were also encouraged to maintain a balance with mobile phone use and make activities such as reading books, sports, creative activities and spending time with family an important part of their lives.

● RAKHADI MAKING ACTIVITY

On 22 August 2026, various creative, cultural, educational and life-oriented activities are organized from time to time at the Sneha Foundation Learning Centre, keeping in mind the overall development of the children studying there. As part of this, keeping the festival of Raksha Bandhan in mind, the children were engaged in a creative activity of making Rakhadi.

The main objective of this activity was to develop creativity, imagination, hand skills, concentration and self-confidence among the children. The children were taught to make beautiful and attractive Rakhadi according to their imagination by using various colors, threads, beads, decorative materials and other items.

The children were seen experiencing great enthusiasm and joy on seeing the Rakhadis they had made with their own hands. They were also encouraged in the direction of developing qualities such as the spirit of giving, the ability to express emotions and self-satisfaction by gifting something made by themselves to another person.

FESTIVAL CELEBRATIONS

● RAKSHA BANDHAN CELEBRATION

At Sneha Foundation, the festival of Raksha Bandhan was celebrated joyfully with the objective of developing children's understanding and emotional connection with Indian culture and festivals. On this occasion, the children were made aware of the significance of Raksha Bandhan, the love between brothers and sisters, and the care and responsibility they have towards each other.

As part of the celebration, sisters applied tilak on their brothers' foreheads, tied Rakhis on their brothers' wrists, offered sweets and extended greetings on the occasion of Raksha Bandhan. Along with this, the children were also explained the significance of the festival of Raksha Bandhan.

Along with this, Namrata Didi and the sisters from her team provided beautiful and knowledge-enhancing guidance to the children. At the same time, the children were also informed about the importance of various festivals in Indian culture and the values associated with our traditions.

On this occasion, Shri Namrata Didi and her team tied Rakhis to every child studying at the institution as well as the teachers and extended their greetings on the occasion of Raksha Bandhan. While tying the Rakhis, they expressed their good wishes for everyone's happiness, prosperity and bright future. The children also displayed great enthusiasm and joy towards this activity.

ADOLESCENCE PROJECT

Under the **Adolescence Project**, Sneha Foundation, with the support of **Dr. Hardikbhai Khatri**, distributed **sanitary pads** to **145** girls. Through the regular implementation of this project, all the girls associated with the Foundation have started using sanitary pads. As a result, the incidence of health problems among women has decreased, and the girls have become more aware of menstrual hygiene and personal health.

● A BEAUTIFUL INITIATIVE TO SHARE HAPPINESS

There is joy in giving that cannot be found in receiving. Reflecting this beautiful sentiment, the children of Naimisharanya School, under the Joy of Giving initiative, presented gifts to the children studying at N. P. Mehta Primary School run by Sneha Foundation.

On this occasion, the children of Naimisharanya School shared their happiness with other children and conveyed a beautiful message of love, affection and participation. The children who arrived with gifts for their fellow students, as well as the children who received the gifts, had visible joy and enthusiasm on their faces. This initiative was not limited merely to giving gifts; rather, it was a beautiful effort to develop values such as sharing, empathy, mutual love and social responsibility among children. Such occasions are very important for nurturing these values at a young age.

Through the Joy of Giving initiative, children learned that happiness is not only about receiving, but also about adding a small moment of happiness to someone else's life. Sneha Foundation wholeheartedly thanks all the children and teachers of Naimisharanya School for this beautiful initiative.
