WEEKLY PROGRAMME DAY 1

MUSIC EVENING PROGRAMME

On 12 September 2026, memorable moments from Sneha Foundation's 19 years of service and various activities were recalled. A large number of children of the organisation, teachers, staff members, well-wishers, local residents, invited guests and music lovers were present.

The occasion highlighted Sneha Foundation's 19-year journey and its work in the fields of education, child development and social service. A commitment was expressed to undertake wider service activities in the 20th year of the organisation.

During the programme, Shri Dr. Ganeshbhai Baraiya, Shri Amitbhai Parmar, Shri Jayeshbhai Makwana and Shri Artiben Soni, who are active in the field of social service in Bhavnagar, were honoured with momentos.

At the music evening, organisation staff member and well-known singer Shri Hirenbhai Parmar and his fellow artists mesmerised the audience with their melodious singing. The organisation's Director, Shri Gurpreet Singh Gill, expressed heartfelt thanks to all the guests, donors, the singer and his team, and everyone present.

WEEKLY PROGRAMME DAY 2

GANESH CHATURTHI PROGRAMME

On 14 September 2026, as Sneha Foundation entered its 20th year, Ganesh Chaturthi was celebrated devotionally on the organisation's premises with the auspicious arrival of Ganpati Bappa. The idol of Ganpati Bappa was ceremonially welcomed and worshipped.

A Satyanarayan Bhagwan Katha was also organised at the organisation. In the presence of the children, teachers and family members, the entire atmosphere became devotional and joyful.

With the blessings of Ganpati Bappa, a commitment was made to take forward the organisation's work in service, values and education with renewed energy in its 20th year. The programme became a beautiful occasion of faith, joy and unity for everyone.

The children enthusiastically participated in Ganpati Bappa's aarti and bhajans. Dressed in traditional attire, they performed the worship of Lord Ganesha with devotion. Through this, the children also conveyed a beautiful message of unity and values.

WEEKLY PROGRAMME DAY 3

MATHEMATICS & SCIENCE WORKSHOP FOR CHILDREN

As part of the weekly programme organised by Sneha Foundation to mark the completion of 19 years and the auspicious entry into the 20th year, a Mathematics and Science Workshop was organised for children of N. P. Mehta Primary School on Tuesday, 15 September 2026.

The children participated enthusiastically and enjoyed understanding concepts of mathematics and science through various activities. The objective was to develop logical thinking, curiosity, creativity and problem-solving abilities among the children. The children also enthusiastically participated in various experiments and mathematical activities and demonstrated their skills and creativity.

Through the experiments, the children enjoyed learning by doing and developed curiosity to discover new things.

The entire programme became a meaningful combination of knowledge, enjoyment and experience for the children. As Sneha Foundation moves towards a new chapter of service, cooperation and commitment, such educational programmes are being organised for the overall development of children.

WEEKLY PROGRAMME DAY 4

MEDICAL CAMP

To make the joyful occasion of Sneha Foundation completing 19 years and entering its 20th year memorable, and with the objective of taking healthcare services to people in need, a Homeopathic and Ayurvedic Medical Camp was organized on Wednesday, 16 September 2026.

The camp was organised jointly by the Health and Family Welfare Department, the Office of the Director of AYUSH, Gandhinagar, and Sneha Foundation. During the camp, expert doctors examined the patients present and provided necessary guidance regarding their health-related problems.

A total of 117 patients were examined at the camp. After examination, necessary medicines were provided free of cost according to the patients' requirements. Guidance was also provided on maintaining health, adopting a proper lifestyle and other matters related to health through Ayurvedic and Homeopathic approaches. Sneha Foundation expresses heartfelt gratitude to all the doctors, officers and staff of the health department, service-minded workers and the Sneha Foundation family who contributed to the successful organisation of the camp.

WEEKLY PROGRAMME DAY 5

ANNUAL CELEBRATION ON THE AUSPICIOUS ENTRY INTO THE 20TH YEAR

On Thursday, 17 September 2026, Sneha Foundation organised a celebration at the organisation to mark the completion of 19 years and the auspicious entry into its 20th year. The children and staff celebrated the occasion by cutting a cake together.

The children were very enthusiastic about the occasion. Everyone recalled the organisation's journey so far, exchanged greetings and expressed good wishes for its bright future.

The occasion became a moment of pride and happiness for the organisation as Sneha Foundation entered its 20th year with the continued support and good wishes of everyone for the education and development of children in the coming years.

The organisation also remembered the efforts it has made over the years for the education and overall development of children.

WEEKLY PROGRAMME DAY 5

AYUSHMAN CARD CAMP

Under the weekly programme organised by Sneha Foundation to mark the completion of 19 years and the auspicious entry into the 20th year, an Ayushman Card Camp was organised on the organisation's premises on Friday, 18 September 2026. The main objective of the camp was to provide needy families with information about government health schemes and help them access healthcare facilities.

During the camp, Ayushman Cards were prepared for more than 45 beneficiaries with the support of the organisation. This service proved very useful for people in need. Receiving an Ayushman Card will make it easier for beneficiaries to access healthcare services available under the scheme in the future.

During the camp, organisation staff helped beneficiaries obtain the required information, verify documents and complete the card-generation process. The organisation's team provided the necessary guidance and assistance so that beneficiaries did not face difficulties during the entire process.

Sneha Foundation sincerely thanks Shri Jayeshbhai Baraiya and Sanjaybhai Dabhi, as well as all workers, service-minded friends and beneficiaries present, for their cooperation in making this service activity successful.

WEEKLY PROGRAMME DAY 5

FOOD FESTIVAL

On Saturday, 19 September 2026, Sneha Foundation organised a Food Festival as part of its activities for the overall development of children. The main objective of the programme was to encourage creativity, self-confidence, teamwork and practical skills among the children.

At the Food Festival, children prepared different kinds of dishes themselves and organised separate stalls. They prepared items such as pani puri, pav bhaji, Delhi chaat, dabeli and sandwiches. From preparing food to organising stalls, interacting with customers, making sales and understanding income and expenses, the children gained practical experience in various areas.

The team of children that organised the activity particularly well and earned a higher profit was given a prize as encouragement. All children who participated in the Food Festival were also encouraged.

LEARNING CENTER

During the month, various educational activities were conducted at the Sneha Foundation Learning Centre to make learning easier and more interesting for students from Standards 1 to 12. Regular instruction was provided in Gujarati, Hindi, English and Mathematics. Previously taught material was also revised.

Preparation for the children's upcoming examinations was also undertaken. Important questions from different subjects were revised, written practice was conducted, and guidance was provided on how to write answers. Question-and-answer sessions and short tests were also conducted to assess the children's understanding.

In addition, children were involved in activities such as reading, drawing, colouring and general knowledge. Throughout the month, children were encouraged to study regularly and were given the necessary guidance to perform well in examinations.

N. P. MEHTA PRIMARY SCHOOL REPORT

During the month, at N. P. Mehta Primary School, special attention was given to upcoming examination preparation along with the regular curriculum, keeping the students' educational and personal development in mind.

Students were given revision of important lessons from all subjects, and examination-oriented preparation was carried out through question-and-answer sessions, written work and practice. Individual guidance was provided in subjects where children experienced difficulties, strengthening their understanding.

Continuous efforts were made through these activities to increase children's self-confidence, creativity, teamwork and interest in studies. Thus, during the month, educational and other activities were organised with emphasis on the children's overall development along with examination preparation.

OVERALL DEVELOPMENT PROGRAM

TEACHER'S DAY CELEBRATION

On 5 September 2026, Teacher's Day was celebrated enthusiastically at Sneha Foundation. On this occasion, students played the role of teachers, delivered lessons on various subjects in the classroom and gained practical experience of teaching.

The children became teachers and explained subjects to their classmates. They also performed responsibilities such as managing the class, maintaining discipline and communicating with students. Through this activity, children developed self-confidence, leadership ability, a sense of responsibility and public-speaking skills.

Students who playevd the role of teachers showed great enthusiasm. Through the programme, students had the opportunity to understand the work and responsibilities of a teacher closely. At the end, the organisation's teachers encouraged the students and guided them about the importance of teachers and the role of teachers in shaping society.

ADOLESCENCE PROJECT

Under the Adolescence Project, Sneha Foundation, with the support of Dr. Hardikbhai Khatri, distributed sanitary pads to 145 girls. Through the regular implementation of this project, all the girls associated with the Foundation have started using sanitary pads. As a result, the incidence of health problems among women has decreased, and the girls have become more aware of menstrual hygiene and personal health.
